School and Hostel Fees for 2026

In terms of section 40 & 41 of the South African Schools Act, the **payment of school fees is compulsory**, and the school's financial stability is a key factor in our school's success and high standards. School and Hostel Fees for 2026, in terms of the Resolution as decided by the School Governing Body, are presented below.

We look forward to a good financial relationship with our parents and therefore we set out the following general rules for paying school and hostel fees during 2026:

- For safety reasons, the SGB has declared our office a **CASH FREE ZONE!** Please note that **NO CASH** will be accepted; however, card facilities are available.
- All parents are encouraged to pay the hostel and school fees via **EFT or by card payment**, rather than making cash deposits.
- If payments are made in advance, i.e. by the date communicated, parents will be able to collect their admission slips more quickly and efficiently at the start of each term. They will thus avoid having to stand in long queues to complete this process.
- **To finalise the 2026 registration process, a payment equivalent to two months' school fees is required in advance.**

The different options for the payment of hostel and school fees are set out in the table on the next page.

- **Boarder parents**, please note that admission to hostel at the start of each term will only be granted if school and hostel fees are paid in accordance with the provided schedule before the first day of each term. This is in addition to any other fees due to the school. First PAY then STAY.
- Please make your payments on the **WEDNESDAY** prior to the start of the new term for the money to show in the school and/or hostel accounts. It takes up to two working days for the money to be reflected in our account.
- If payments are made by means of electronic transfers (EFTs), please email proof of payment to finance@girlshigh.co.za
- All "**payment references**" MUST indicate the learner's **ACCOUNT NUMBER** or **FULL NAME & SURNAME**. We will not be able to identify the payment without the correct reference.
- **NOTE:** The hostel has a **separate bank account** to that of the school. Please DO NOT pay hostel fees into the school account or vice versa. If this should happen, please forward the proof of payment to finance@girlshigh.co.za requesting a transfer to the correct account.
- **Day Girls** pay only school fees.
- **Boarders** pay both school and hostel fees.
